Subject: Notice of File Closure and Release of Reclamation Surety, Interpace Holdings LLC, Henefer Red Clay, M/043/0014, Summit County, Utah

Dear Mr. Rhine:

The file for the Henefer Red Clay mine, permit number M/043/0014, located in Summit County, Utah, will now be closed and retired.

The site was inspected on September 18, 2013, and it was determined that the mine has been satisfactorily reclaimed and can be fully released. The Division of Oil, Gas and Mining has authorized Southwest Marine and General Insurance Company to cancel and release the \$17,000 surety bond they are holding for this project (copy of letter attached). The Division is returning your original reclamation contract and surety for your disposal or return to your surety company as required.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice and reclamation surety to the Division and gain approval from other appropriate agency(ies) prior to creating any disturbance.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your time and consideration in completing the required reclamation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
